

Why do parents bring their children to visit Homeopaths in Australia?

Homeopathy is a medical system based on the concept that the body can heal itself

Homeopathy is used worldwide by over **500 million** people²

Complementary medicine is an important and often underestimated part of global health care

(World Health Org.)³

In Australia people visit Homeopaths for mental health

27.6%
of visits⁴

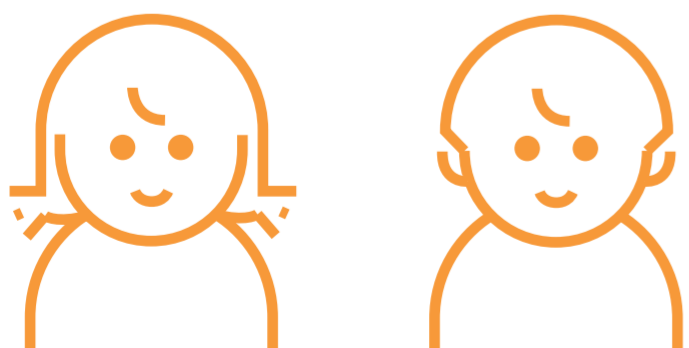

Mental health is also the top reason why parents bring their children (aged 2 - 14)⁴

People of all ages use Homeopathy (0 to 86yrs old)⁴

Digestive issues in the gut - eg diarrhea and constipation peak in the 2 - 4 age group⁴

Skin issues - eczema and acne increase as children become older⁴

The ratio who visit homeopaths in children up to 18 years old is ⁴

50% **50%**
